

OFFER INFORMATION

***Snapdeal is just a medium to promote this offer. Please note that this offer is not applicable on Windows 7 Starter based laptops.**

Buy a Windows 7 PC and get Windows 8 Pro for INR 699.00.

Price displayed is an estimated retail price. The actual price of the offer will vary by region since it is dependent on a variety of specific factors including exchange rate, local taxes, duties, fees, local market conditions and other pricing considerations, and may vary by each independent reseller. The actual price may be more than the advertised price, due to these additional factors.

Eligibility Details

The offer is for customers (e.g. home users, students, and enthusiasts) who purchase a qualified PC. A qualified PC is a new PC purchased during the promotional period with a valid Windows 7 OEM Certificate of Authenticity and product key for, and preinstalled with:

- Windows 7 Home Basic;
- Windows 7 Home Premium;
- Windows 7 Professional; or
- Windows 7 Ultimate.

The promotional price is limited to one upgrade offer per qualified PC purchased, and a maximum limit of five upgrade offers per customer.

Key Dates

You must purchase a qualifying Windows 7 PC between 2 June 2012 and 31 January 2013 to be eligible for this offer. **The last day to register and order your Windows 8 upgrade is 28 February 2013.**

Redemption Process:

1. Eligible customers must register for the Windows Upgrade Offer through the website <http://www.windowsupgradeoffer.com/en-IN> by 28 February 2013.
2. After customer registration and Microsoft validation, customers will receive a registration confirmation email.
3. Beginning on 26 October 2012, registered customers will receive an email with a promotion code and instructions for purchasing and downloading the software.
4. The promotion code can be redeemed during the upgrade ordering process to receive the promotional price.
5. Customers will be able to purchase a downloadable version of Windows 8 Pro. An optional installation DVD is available for an additional fee, plus shipping and any applicable taxes or duties. Customers can also choose to create their own installation media on DVD or USB media after downloading Windows 8.
